

Take Control of Your Revenue Cycle

GHN's Executive Dashboard is an intuitive and customizable tool for healthcare data management and performance metrics. View critical metrics in a dashboard setting with the ability to drill down and view data at deeper levels for better decision making.

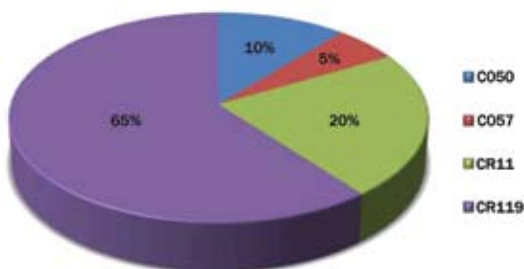

Maximize Analysis Through GHN's Expanded Executive Dashboard

- Receive boardroom quality scorecards and graphs to highlight trends in your business
- Find enhanced and customized reporting capabilities
- Access current graphical data and analysis in minutes via your web browser
- Leverage intuitive and comprehensive drill down of graphical charts and data detail
- Receive up-to-the-minute claims reimbursement information from AR remittances to accounting
- Breakdown claims data by product, provider, specialty, clinical region, service site, and demographic site
- Choose multiple data selections to maximize analysis
- Print or save graphical representations and displays

Executive Dashboard Data

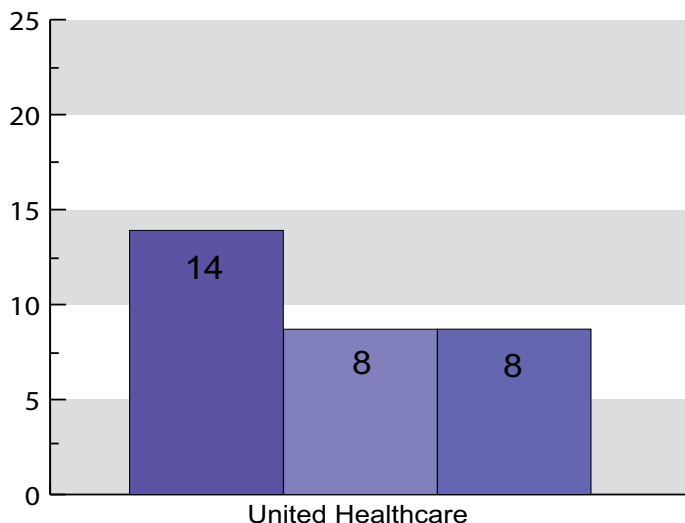

Breakdown data by business unit(s) and specific date parameters. Choose data selections for:

- Aged Cash Graph
- Top 20 Procedures
- Payer Denial Rate
- Utilization by Payer
- Most Common Denial Code (Claim Level)
- Daily E-Claim Trend
- Most Common Denial Code (Service Level)
- Average Days to Payment (month-by-month)
- Denial Rates By Procedure
- Zero-Dollar Reimbursements by Payer
- Billed Revenue By Payer
- Total Charges vs. Total Payments
- Daily E-Eligibility Trend
- Average Days to Payment (By Payer)
- Billed Revenue By Provider

Most Common Denial Codes

Average Days to Payment (By Payer)

This graph displays the average number of days to the payment date from the date of service, the date the claim was uploaded to GHN, and the date the claim was sent to the payer. GHN sends claims the same day they are received.

What our clients are saying...

"With GHN's expanded executive dashboard, we now have the ability to pull up-to-the-minute claims information critical to our business operations."

"With multiple data selections to choose from, we gain knowledge and insight into our business."
